

NOTICE TO ALL GOLFERS

GOLFING CHANGES RELATING TO COVID-19 - update 12/2/21

Following the announcement of further easing of COVID-19 restrictions the Club has determined the following, which shall take effect from **Saturday 13/2/21** at Lakeside Golf Club Camden:

RULE MODIFICATIONS

We encourage all golfers to practice safe hygiene: this includes leaving your glove on and have your own sanitiser to use on course etc.

- Bunkers - Rakes will be returned to all bunkers.
- Flagsticks

The flagstick may be removed.

- Nearest to Pins/Super Pin – will recommence.
- Scoring

You must now swap cards with another player, not your playing partner.

Hand sanitiser is located in various points throughout the Club as well as in the Golf Shop and near the kiosk.

You should arrive 20 minutes prior to tee off (unless using the Practice Facilities). One group should be on the tee/the next group 1- 5 metres back and so on.

SOCIAL DISTANCING – remember at all times to maintain 1.5m from others.

The health and safety of our Members and Staff has always remained our priority, therefore if there are further Covid-19 breakouts in our area or there is further advice from NSW Health, we may need to revise the decision again.

We thank you for your co-operation and assistance over the past 12 months whilst we all work together to try and provide a safe environment for all.
